

PEOPLE'S TREATY

Cluster bombs cause predictable and unacceptable harm to civilians, both at the time of use and for many years after. It is my strong belief that these weapons are morally unacceptable.

I fully support the new international treaty on the prohibition of the use, stockpiling, transfer, and production of cluster bombs.

Through **their signature and ratification of this treaty**, governments will legally commit themselves not only to ban cluster bombs, but also to clear contaminated land and provide assistance to victims and affected communities.

Through **my signature** on the People's Treaty, I commit to work to ensure that governments live up to their obligations.
